

Information Note

OSRAM-ENI-IN-2024-05February 22th, 2024

Dear Customer,
please review the following information regarding a new product introduction.

Lok-it!® 700W/60/P50

The OSRAM Lok-it!® 700W/60/P50 is a highly efficient, single-ended short-arc metal halide lamp with daylight-like colour temperature. The Lok-it!® plug'n'play system allows a quick one-touch lamp replacement. It is very compact and hence allows cold start of the lamp only. Featuring OSRAM's XS-Technology, the lamp stands pinch temperatures up to 450°C (for a short term, not complete life time).

Product code	4062172398909
CCT (K)	5800
CRI	75
Lum. Flux (lm)	49.000
Lamp base	PG50
Reference fixture	ROBE_ColorBeam700 ROBE_ColorSpot700 ROBE_ColorWash700
